# Meet our Resident of the Month: Ralph Bugg

Our residents at Aviva Hills are what make our community so special. Each individual brings a wealth of diversity and life experiences that enrich our culture and make our facility comparable to no other. This month, we are proud to introduce you to a man of many talents, Ralph Bugg.

Ralph became a resident at our facility in 2023, joining his wife, Mary, who moved to our community shortly before. A native of Illinois, Ralph lived and traveled to many places, including North Dakota, Minnesota, Oklahoma City, and several cities in Michigan. Ralph's avid interest in technology led him to receive his amateur radio license at the age of 16, which provided the foundation for his future career endeavors.

Prior to joining the Air Force in 1961 where he worked in avionics and early warning radar systems, Ralph worked for American Airlines. Following his military service, he worked for Zantop Air Transport and Honeywell where he served as a mainframe computer specialist and software developer. In addition to his roles at American Airlines, Zantop, and Honeywell, Ralph also founded his own company where he specialized in computer maintenance and consulting work.

Ralph married his wife, Mary, in 1966 and they became the proud parents of 2 daughters, 1 son, 7 grandchildren, and 7 great-grandchildren. The couple celebrated 58 years of marriage until her passing in 2024.

We are grateful to have a gentleman with Ralph's many accomplishments as a member of our Aviva Hills community!
