Meet our Resident of the Month: Landra Zaleha

Our residents at Aviva Hills are what make our community so special. Each individual brings a wealth of diversity and life experiences that enrich our culture and make our facility comparable to no other. This month, we are proud to introduce you to a lady of many talents, Landra Zaleha.

Landra has been a resident at Aviva Hills for over two years but was born in Toledo and raised in Fremont, Ohio. After high school, Landra attended Mount Union College where she earned a degree in medical technology, followed by a 12-month internship at Akron City Hospital. Upon marriage to her first husband, Bruce, they raised three children, Curt, Doug, and Brenda. With her children grown, Landra returned to part-time work at Barberton Hospital followed by a full-time position at Akron General Hospital where she served for 20 years. After her husband passed, Landra explored travel, enjoying cruises to both the Bahamas and Alaska.

Throughout her following marriage to Paul Zaleha, the couple enjoyed traveling, hunting, trapshooting, bird watching, and hiking. In addition to Landra's love of nature and exercise, she is also an avid reader and accomplished seamstress.

Landra's warmth, compassion, vitality, and charm are what makes her a treasured asset to our community. We are honored to have her as a member of our Aviva Hills family!
