Meet our Resident of the Month: Fran Miller

The personality of any community is influenced by the members who call that community home. This month, Aviva Hills is pleased to introduce you to an extraordinary lady and our newest Resident Ambassador, Fran Miller.

Fran was born in West Virginia and has lived in many places over the course of her life. As a child, Fran was often referred to as "Pollyanna" due to her sunny disposition and her ability to find the good in any situation.

After her high school graduation, Fran attended Fairmount Teachers College and eventually became an Administrative Assistant for a Christian Ministries company—a position she held for 45 years, retiring at the age of 90.

In 1966, Fran married Ken Miller, and together they blended their families from previous marriages. The couple have five children, thirteen grandchildren, and 24 great-grandchildren to date.

What makes Fran so special is her genuine fondness for people. Fran greets everyone by name and is devoted to spreading friendship, joy, and compassion to everyone she meets.

We at Aviva Hills are proud to have Fran as a Resident Ambassador and cherished member of our community!
